## OUR STORY

Founded in 1983 in Hyderabad, India, BakeMate (Disha Foods) has grown into one of the world's foremost manufacturers and exporters of premium chocolates, biscuits, wafers, cookies, and confectioneries. Over the past four decades, our journey has been defined by passion, innovation, and a deep commitment to delivering indulgence crafted to perfection.

From humble beginnings, BakeMate has today evolved into a truly global brand, with a presence in over 160 countries across 6 continents. Our diverse portfolio of 200+ iconic products caters to the tastes and preferences of consumers worldwide, blending international standards with authentic local flavours.

As one of the world's largest and fastest-growing food companies, BakeMate has become synonymous with trust, quality, and innovation. Each product is developed with uncompromising attention to food safety, superior ingredients, nutritional value, and unmatched taste—values that have helped us earn the loyalty of millions of customers across generations.

With world-class manufacturing facilities, cutting-edge technology, and a passionate team of experts, BakeMate continues to set benchmarks in the global food industry. Beyond products, we stand for a promise: to bring people together through the joy of delightful treats, to create memorable moments, and to make indulgence a part of everyday life.

At BakeMate, we believe in more than just making food—we create experiences of happiness, sharing, and celebration. This philosophy continues to drive us forward as we expand our global presence, innovate with new product categories, and remain a trusted partner in kitchens, stores, and homes worldwide.
